Recruiting for the old and new regiments under the call of President Lincolu for 300,000 men was carried on with great vigor throughout the north, citizens of every state making extreme efforts to bring their state's enlistment up to the full quota,

The war department of the United Biates issued an order exempting from the recent order for a draft all men who had actually been employed in constructing or operating telegraph lines at the time the draft order was issued. The exemption was made on the basis that the telegraph lines, being used for military purposes, were in a way a part of the military serv-

The battle of Baton Rouge, La., was fought between a force of Confederates under General Breckenridge and Nationals under Gen. Thomas Williams. The Confederates, attacking at daylight, precipitated a savage conflict in which the National troops were ariven from their position in considerable confusion. Later they rallied and returned to the attack, finally sucreeding in dislodging the Confedernics from the camp they had lately captured.

A reconnollering force of Union troops under General Hooker encountered a body of Confederates stationed on Malvern Hill, Virginia. After a fight lasting two hours, the Confederates withfrew in good order, leaving Hooker on the hill.
